Show Time As: Busy

Required Attendees: Bahrman, Sarah; Minter, Douglas; Boydston, Michael; Chin, Lucita; Varilek, Kimberly; Logan, Paul; Denawa, Mai

The purpose of the meeting is to brief Sarah and Douglas on the following topics in preparation for briefing Darcy:

- 1) Our call with the NRC on May 7
- 2) Our options and recommendations (and challenges) for completing the NPHA process for Dewey-Burdock.
- 3) How the timing for our process would mesh with the timeline the NRC has proposed for updating the SEIS

I will propose some briefing bullets for review and edits to be finalized before the meeting.

Thanks!

Paul, I see that you are out of the office that day. If I didn't grab this time slot, the meeting would be delayed for several more days. Sorry about that! I will fill you in when you are back in the office after the meeting.
